ABOUT US >> SALLY TECHNOLOGY CO., LTD

SALLY TECHNOLOGY CO., LTD was established in 1998. We mainly produce stainless steel kitchen sinks and export them overseas. Developed more than 200 types of mold, with a monthly capacity of 150,000Pcs. Products are mainly sold to North America, South America, Northern Europe, Southeast Asia, the Middle East Africa, as many as 56 countries.

The sinks are processed with imported wear-resistant; anti-rusty stainless steel (201/304) material, deposited with unique surface-polishing nanometer technology, anti-scratch, easy-cleaning, and sprayed with high-quality non-frost paint at the bottom, which prevents sink from dewiness.

Furthermore, Our sink is fixed with excellent noise elimination device for reducing water noise.

Our company adheres to the design notion of taking the people as the origin. Thanks to the advanced processing techniques and ever-stopping designs, our company always takes the lead in the same industry. The one-stop good quality services of sumptuous Home constantly express to the customers the modern life idea of high quality means highly tasty full life.
